FRANCE 2025

Join us in a captivating journey through the enchanting landscapes of France, where culinary delights and exquisite wines await.

Our adventure starts in the City of Lights, **Paris**, before venturing into the famous **Champagne** region for a day of exploring vineyards and uncovering the artistry behind Champagne production.

Next, our path leads us to the historic shores of **Normandy**, where the echoes of D-Day resonate, offering a profound glimpse into a pivotal moment in history. Here, we'll pay homage to the bravery of those who shaped our world, and marvel at the iconic Mont Saint-Michel, a testament to human ingenuity hailed as the "Wonder of the Western World." Continuing our odyssey, we traverse the **Loire Valley**, named the "Garden of France." Nestled in the charming town of **Amboise**, we'll discover regal castles and indulge in the exquisite flavors of Loire wines, surrounded by the picturesque beauty of the region.

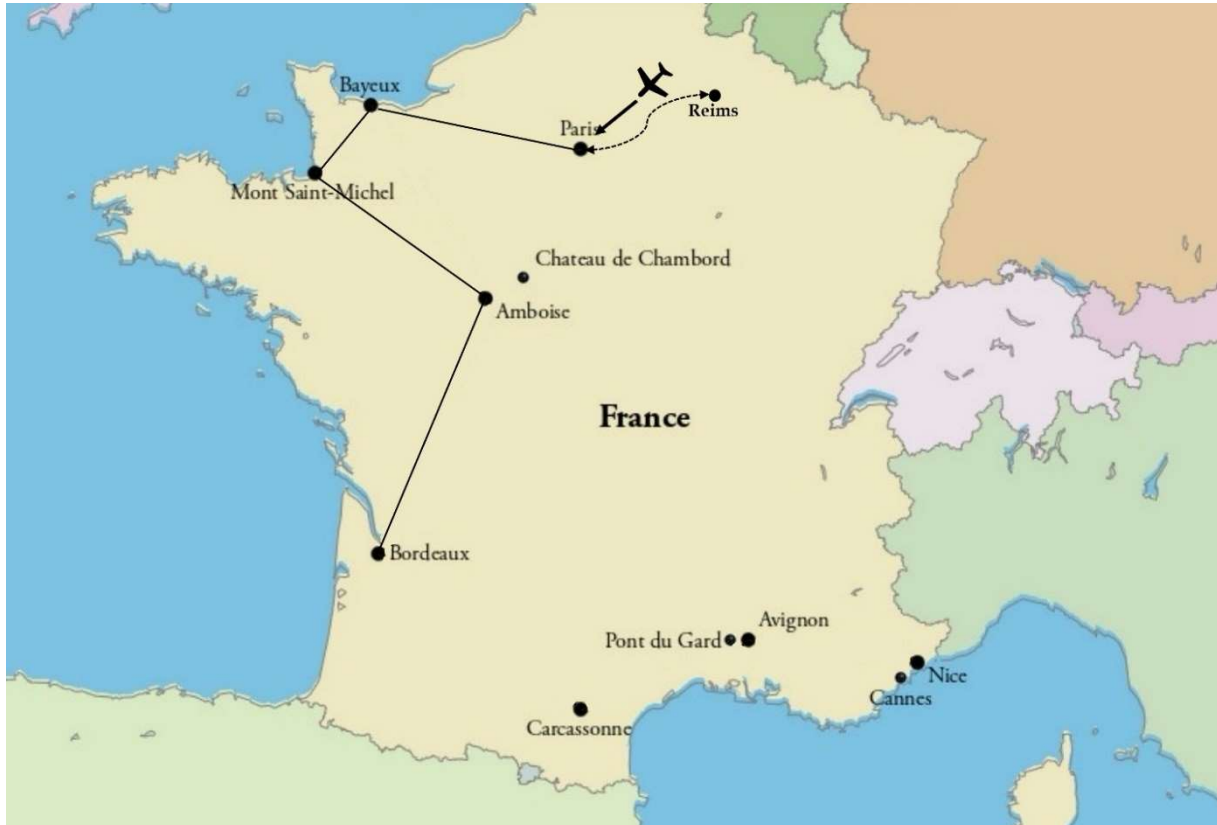

Our grand finale awaits in **Bordeaux**, an architectural masterpiece of the 18th century. Over three captivating days, we'll enjoy our time visiting beautiful charming towns, renowned vineyards, and savoring the splendor of this magnificent region.

Gerry and Adriana Sarmiento

"I had come to the conclusion that I must really be French, only no one had ever informed me of this fact. I loved the people, the food, the lay of the land, the civilized atmosphere, and the generous pace of life."

- Julia Child
